TANDBERG Edge 95 MXP

TANDBERG

See: **performance**

Overview

The TANDBERG Edge MXP turns any meeting space with a flat screen monitor into an interactive meeting room for a true-to-life communication experience.

Within minutes, enjoy the benefits of rich High Definition (HD) clarity and collaborate with team members around the world, right from an existing conference room or office. Everything you need to get started is included, transforming your existing monitor into a new tool for enhanced productivity.

Customers can now enjoy the benefits of TANDBERG Edge MXP through a limited time promotional offer.

The Offer

20% off the list price of an Edge 95 MXP if purchased before March 31, 2008
